ABOUT OUR COMPANY

ABOUT US

Founded in **India**, Kamal Enterprises has spent over 35 years specializing in the manufacturing of premium leather goods – including bags, jackets, skirts, pants, and belts – **for globally respected fashion brands**. With complete in-house production, expert craftsmanship, and a sharp focus on quality and timelines, we support some of the leading names across Europe and the USA with stylish, durable, and consistently well-executed leather products.

OUR VALUES

We're **built on trust, quality, and attention to detail**—values that continue to define every product we create. As we grow, our commitment to these principles ensures that each piece we deliver **provides lasting value** for both our clients and the customers they serve.

OUR VISION

- We're committed to responsible practices across our operations—from sourcing to production—**to reduce environmental impact and build a better future**.
- We aim to expand our global presence by partnering with like-minded brands that **value craftsmanship, transparency, and sustainability**.
- We continuously **invest in innovation, ethical manufacturing, and skill development** to ensure long-term value creation for our clients, our team, and the communities we operate in.

Certifications

At Kamal Enterprises, our certifications reflect a deep commitment to ethical sourcing, sustainable production, and international quality standards. We are proudly certified by the Higg Index, BSCI, LWG (Gold Rated), and Bureau Veritas — each validating a key area of our operations, from environmental responsibility to social compliance and product quality. These certifications guide our approach as a reliable, globally aligned manufacturing partner.

The Higg Index certification assesses our environmental and social impact across the value chain.

BSCI ensures our compliance with global social responsibility and fair labor practices.

We exclusively source our leather from certified tanneries that meet or exceed LWG Standards.

Bureau Veritas validates our adherence to strict quality control and safety standards.

Fully Functioning Manufacturing Unit

Our factory is a fully owned and operated facility by us, giving us complete control over quality, timelines, and compliance. With every process managed under one roof—from sampling to final dispatch—we ensure efficiency, transparency, and consistent output at every stage of production.

Production Capability

We have a robust production capacity with the ability to manufacture up to 100,000 leather garments and 70,000 bags annually. This scalability allows us to cater to both boutique labels and large-scale fashion brands without compromising on quality or delivery commitments.

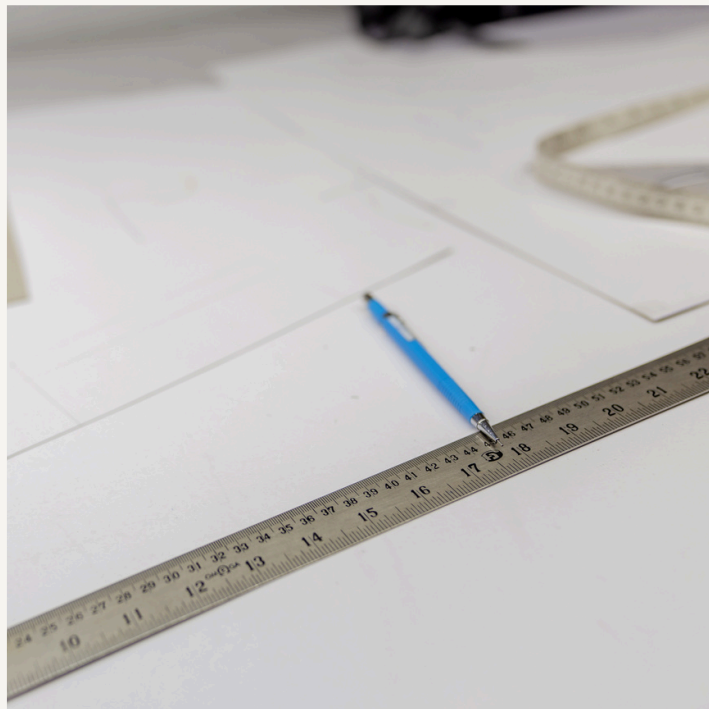

200+ Workforce

Our team comprises over 200 highly skilled professionals, including artisans, pattern makers, quality controllers, and machine operators. Their expertise, paired with modern infrastructure, ensures every product is crafted with precision and care—upholding the standards our clients rely on.

Sustainable Development Approach

Achievable and realistic goals

We begin with ethically sourced raw materials and minimize waste at every step of production.

Investing in modern, energy-saving systems allows us to lower our carbon footprint while boosting efficiency.

Integrated and comprehensive

We recognize that growth is also driven by people. By fostering a culture of learning, collaboration, and accountability, we empower our team to contribute meaningfully to our long-term vision.

HOW WE CONTRIBUTE

By weaving sustainability into every part of our business, we create value not just for our company, but for the environment and our communities.

Fueling the Future

Through continuous innovation, responsible sourcing, and eco-friendly production methods, we enhance our operations while shaping a greener, more sustainable future for the leather industry.

OUR JACKETS

Men's Jackets/Coats/Blazers

Our men's outerwear collection combines classic craftsmanship with contemporary styling. Whether it's a rugged leather jacket, a structured blazer, or a timeless coat, each piece is designed to offer durability, comfort, and sophistication. Using only premium leather and high-grade hardware, we ensure every garment makes a bold yet refined statement—tailored to meet the modern man's wardrobe needs.

Women's Jackets/Coats/Blazers

Designed to complement both elegance and edge, our women's outerwear line is crafted with precision and versatility in mind. From sleek leather jackets to structured blazers and cozy coats, every piece is made using soft yet resilient materials that elevate both everyday and statement looks. With a focus on flattering silhouettes and fine detailing, our styles empower women to express confidence through craftsmanship.

OUR BAGS

Travel & Utility Bags

Crafted for versatility and durability, our Travel & Utility Bags are designed to meet the needs of life on the move. Whether you're packing for a weekend getaway or heading to the gym, these bags combine rugged construction with timeless aesthetics. Made from premium leather and reinforced with quality hardware, each piece offers generous storage, structured form, and everyday resilience—blending function with understated luxury.

Everyday & Style Bags

Our Everyday & Style Bags are designed to blend fashion with function, offering silhouettes that move effortlessly from daily errands to elevated occasions. Soft lines, thoughtful detailing, and high-quality materials come together in each piece to create bags that are as stylish as they are practical. Whether it's a slouchy hobo or a refined tote, these designs are built to enhance everyday looks while offering lasting comfort and charm.

OUR GARMENTS

Skirts

Our leather skirts strike the perfect balance between modern sophistication and timeless appeal. Designed with a clean silhouette and crafted from supple, high-quality leather, each skirt is made to flatter while offering exceptional comfort and durability. Whether styled for a professional look or dressed down for casual elegance, our skirts are built to move with you—bringing confidence and refinement to any occasion.

Stretch Pants/Non-Stretch Pants

From structured non-stretch styles to flexible stretch-fit designs, our leather pants are engineered for both performance and polish. Crafted using premium leather with careful attention to cut and construction, each pair is made to contour the body, enhance mobility, and elevate everyday wear. With options that cater to different fits and functions, these pants seamlessly combine versatility, durability, and sleek style.
